Publications.

Mr. F. Tennyson Neely Has Issued THE CRUISE of the SCYTHIAN in the WEST INDIES, By MISS SUSAN DE FOREST DAY.

This is the first of a line of most interesting books to be issued in "NEELY'S LOG BOOK SERIES," which will embrace the voyages, experiences, and histories of a number of famous yachts. They will be descriptive of the cruises these yachts have made and the countries visited by them, profusely illustrated and appropriately published.

Miss Day has written in the most attractive manner the story of the interesting cruise of her yacht in the West Indies. It abounds in charming descriptions of St. Thomas, St. Kitts, and many places of note. Edition de luxe, limited to one hundred copies \$5.00 each. Regular edition, \$2.00.

To Yacht Owners: In "NEELY'S LOG BOOK SERIES" it is proposed to issue a number of books compiled from the logs of the best-known yachts while on their most interesting cruises. Correspondence solicited with those interested, with a view of preparing for publication the voyages from the logs of yachts for permanent record.

A copy of Miss Day's book will be sent on approval to any address, and may be returned at the publisher's expense if not found satisfactory. It is a beautiful volume, representing the highest art in bookmaking.
